

Color Palette Guideline-Exterior Paint

Sherwin Williams colors were used to develop palette.

Residents may use other paint manufacturers as long as color matches color referenced on palette.

1. All exterior paint and repainting must be submitted to Fawn Ridge Architectural Committee.
2. Approved exterior paint colors are listed in Resource Center.
3. Only approved paint colors which are listed are permitted.
4. Must use a minimum of two (2) and a maximum of three (3) colors are permitted per home.
5. One color must be declared as the house body color.
6. Any siding must be painted house body color only.
7. If home needs repainting than an approved color from palette must be selected.
8. Colors shall not be similar to adjacent homes or homes directly across the street.
9. Trim color must be within three (3) shade colors up or down, on the same color strip as the body. - Or - one of the trim ONLY colors.
10. There are five (5) approved white house colors on the palette. The trim must be within the top three (3) colors on any body/trim color strip on the palette.
11. Garage door must match body or trim of units' exterior color or simulation wood finish.
12. Sheen of the paint finish may not exceed semi-gloss for the house body.

Definitions

- *Body/Wall - Wall, siding, downspouts, utility connections, cable and phone box, solar piping on wall*
- *Trim - Soffit, gutter, contrasting border around windows, doors and garage*
- *Accent - Front door and shutters*
